Curriculum Vitae

SUMMARY

- **Award-winning cartographer** and **geospatial visualization developer** specializing in static and web map design, internationally recognized across various map competitions and publications. Experienced in translating complex geographic data into clear, compelling, and visually appealing products for public and professional audiences.

EDUCATION

University of Wisconsin-Madison (UW-Madison) *(Madison, WI; Ongoing)*

- **Ph.D.** Candidate in Geography (**Cartography/GIS**); Doctoral minor in **Computer Science**; GPA: 3.7/4.0
- Graduate Member in Spatial Computing and Data Mining (**SCDM**) Lab, UW Cartography Lab (**CartLab**)
- Teaching Assistant (**15×**), Lecturer (**3×**): Cartography, Interactive Cartography & Geovisualization, Graphic Design, Geocomputing, GIS Application, GIScience; Project Assistant (curriculum revision): GIS Professional Programs

University of Georgia (UGA) *(Athens, GA, USA; 2017)*

- **M.S.** in Geography (**GIS**); Graduate Member in Urban Geospatial Analytics Lab, Community Mapping Lab; GPA: 3.7/4.0
- Teaching Assistant: Transportation Modeling and GIS

Sun Yat-sen University (SYSU) *(Guangzhou, China; 2015)*

- **B.S.** in **GIScience** (Remote Sensing & GIS Engineering); Excellent Graduate; **3×** Excellent Scholarship; GPA: 3.8/4.0
- Undergraduate Research Assistant in Center of Integrated Geographic Information Analysis (CIGNA), Center for Historical Geography, Big Data Communication Lab

EXPERIENCE

- Student Cartographer, **UW Cartography Lab** (client-based print/web mapping, website update) (2023-Present)
- Cartography Intern, **Apple Maps** (color refinement experiments, advancing new feature and internal resource) (2025)
- GIS Development Intern, United Nations Development Programme (**UNDP**) (building SIDS Geospatial Platform) (2021)
- GIS & Visualization Intern, Institute for Local Self-Reliance (**ILSR**), Community Broadband Network (67 maps) (2021)
- App Development Research Assistant, Carl Vinson Institute of Government (**CVIOG**), University of Georgia (2016-2017)

SKILLS

	Core	Additional
Cartography	ArcGIS (Pro/Online/Dashboards/JS API), Mapbox, Leaflet, D3	MAPublisher, InDesign
Design	Illustrator, Photoshop, BrickLink Studio, Sony Vegas	Blender, After Effects, Flash
GIS & RS	ArcGIS (Pro/Server/Engine), QGIS, GeoDa, TransCAD	ENVI, ERDAS, Google Earth Engine
Programming	JavaScript/HTML/CSS, ASP.NET MVC, Java (Android)	C#, C++, Visual Basic, C, Pascal
Analysis	Python, R, Java, PostgreSQL, SQL Server, SPSS	Gephi, MongoDB, AWS, MATLAB

MAP RECOGNITION (thumbnail images on next page)

- **ICA**: **2×** Map on ICC International Cartographic Exhibition (2023, 2025)
- **CaGIS** Map Design Competition: **2×** Winner, **3×** Honorable Mention (2021, 2023, 2025, 2026)
- **NACIS** Student Map Competition: **3×** Winner (2023-2025)
- **BCS** Map Award: **1×** Winner, **2×** Highly Commended, **1×** Commended (2024, 2025)
- **Esri** UC / Map Gallery: **7×** Features (Plenary Session, MappyHour, Map Art Wall), **6×** Winner, **3×** Finalist (2023-2025)
- **WLIA** Map Contest: **6×** First Place, **5×** Second Place, **5×** Winner of other categories (2024, 2025, 2026)
- **Publication** Inclusion: **1×** Atlas of Design (Vol. VII), **4×** Esri Map Book, **2×** Cartographic Perspectives (2023-2025)
- **UW-Madison** Digital Salon: **1×** Best in Show, **2×** Honorable Mention, **8×** Admission (2021-2025)
- **Other Competitions**: **4×** IIB Award Longlist, **3×** Winner, **2×** Other awards (2014-2025)

GIS DEVELOPMENT (*collaboration)

- Climate Visualized (interactive global climate visualization with glyphs using D3.js; multi-award-winning) (2026)
- United States of Rising Hazards (multivariate geovisualization using ArcGIS JS API; multi-award-winning) (2025)
- Madison Area & Wisconsin COVID-19 Pandemic Dashboard (over 80K visits, 3× on news; multi-award-winning) (2020)
- *Small Island Developing States Geospatial Dashboard (Mapbox-based web map during UNDP internship) (2021)
- *U.S. Historical Hurricanes Geovisualization (Leaflet framework with jQuery, D3, turf libraries) (2019)
- *GNAHRGIS-Ecology (spatial query on ArcGIS Server API using ASP.NET MVC, with SQL Server) (2017)
- *SYSU Campus Navigation (Android Application using ArcGIS SDK; award-winning) (2014)

RESEARCH (*collaboration)

- Multimodal Social Media Data Mining and Visualizations For Hurricane (AAG 2025; UCGIS Symposium) (2023)
- Investigating Human Mobility During Pandemic: An Integrated Social Media Approach (AAG 2021) (2021)
- *Emerging geo-data sources to reveal human mobility dynamics during COVID-19 pandemic (Springer) (2021)
- Framing Twitter Trajectory Visualization: A Comparative Case Study (IEEE VIS 2020 "MoVIS" Workshop) (2020)
- Adaptive Cartography in Natural Disaster Management: A Domain Gap Analysis (NACIS) (2020)
- *Can We Forecast Presidential Election Using Twitter? An Integrative Model Approach (Annuals of GIS) (2020)
- *Male or Female? Evaluating Gender Representativeness of Twitter – A Case Study of Athens (UCGIS) (2020)
- Flight or Driving? Mining Transportation Mode in Hurricane Harvey Evacuation (AutoCarto 2020) (2019)
- *Madison and Vicinity: A Tangible Map Quilt (Cartographic Perspectives) (2018)
- Examining Spatiotemporal Pattern in Evacuation Behavior during Hurricanes (AAG 2019, Springer) (2018)

IMPACT

- **17× guest talk**: GIS-Colorado, UC (Colorado Springs) ×2, UW-Madison×2, SHNU (China), ECNU (China), Glasgow (UK) ×3, Emory, UT-Austin, Macau (China), Messiah, WisLUG, HKUST-GZ (China), City of Lawrenceville (2024-2026)
- **4×** maps collected in **library**: incl. Library of Congress, American Geographical Society Library, Robinson Map Library
- **16×** maps featured on **news** reports (×11, reprints excluded), **TV** news (×2), online **articles** (×7), and magazine (ArcUser)
- **14×** maps on **public display** in libraries, bookstore, museum, GIS Day events in WI, FL, and GA (2021–Present)
- **12× travel awards** from NACIS, AAG SAM, UW-Madison and Geography Department (2019–2024)
- Co-Founder & Cartographer for **Shanghai Dérive** (2024-Present); Volunteer, **Natural Earth** (2023–Present)
- Scholarship for CaGIS & UCGIS Symposium, International Cartographic Association (**ICA**) (2024)
- Covid and News Cartographer, **MADNEWS** (largest local Chinese media platform) (2020–2023)
- 1st Place of Most Downloaded Paper Award; 3rd Place of Best Paper Award, **Annals of GIS** (3rd author) (2022)
